

EX PARTE MOTIONS AND HEARINGS MANUAL

New Court Policy and Rules

Beginning January 1, 2009, the King County Superior Court Ex Parte and Probate Department adopted a new policy and procedure for the presentation of ex parte matters. Notably, only certain matters will be granted oral argument and the remaining matters must be submitted in writing only, without oral argument, through the Clerk's office. Parties shall refer to LCR 40.1 to determine if their matter must be heard in the Ex Parte and Probate Department. Once determined to be an ex parte matter, parties must then refer to the master list in this Manual to determine if their matter must be submitted in writing through the Clerk's office, or in person.

Ex Parte Master List

The Ex Parte and Probate Department has compiled a list of all matters presented to the Ex Parte Department for consideration. Within this list, the Department has indicated which items may be heard in person, with oral argument, and which items must be submitted in writing only, without oral argument, through the Clerk's office.

For detailed information on which orders may be presented in person, please refer to the master list of Ex Parte matters attached. The Clerk's office will follow the Local Rules and this master list to determine if your matter may be heard with or without oral argument.
